

# MS 2530:2022

## MALAYSIAN SUSTAINABLE PALM OIL

### Course Description:

The MSPO MS 2530: 2022 – Internal Audit Course aims to educate participants on the effective approaches for auditing MS 2530:2022. The course's main objective is to guide internal auditors on the MSPO Standard's requirements – with specific focus on auditing in conformance with MS 2530:2022. This includes the planning and preparation for audits, audit practices and procedures as well as the reporting of audit findings in accordance to ISO/IEC 17021-1:2015 Guidelines for Auditing Management System. It is important to note that an Internal Audit is crucial in identifying the standard requirements of MS 2530:2022, to highlight areas for improvement and implement any necessary corrective action/s.

### Benefits:

- Production of sustainable products which are globally accepted
- Reduction of accidents
- Enhanced legal compliance

### Assessment:

A written examination and practical assessment will be conducted to evaluate participants' understanding and application of MSPO auditing concepts.

# COURSE OUTLINE

## DESCRIPTION

Malaysian Standard on Malaysian Sustainable Palm Oil (MSPO) is the Government of Malaysia's commitment to ensure the country's palm oil is sustainable. This is achieved through a balance between environmental, societal and economic considerations to meet the needs of the present without compromising the ability of future generation to meet their needs, in line with the UN SDGs agenda.

An internal audit one of the core processes in contributing towards effective implementation of MSPO at the workplace. Internal audit course in MSPO will benefit the organization to improve their performance by developing the necessary skills to assess and report on the conformance and implementation of processes based on MSPO.

The participants will learn how to initiate an audit, prepare and conduct audit activities, compile and distribute audit reports and complete follow-up activities.

## OBJECTIVES

- Be able to prepare for conducting an audit based on MSPO standards.
- Know the process for conducting an audit.
- Write performance evaluation report.
